

## What is The Bandwagon?

An innovative business concept, The Bandwagon is a mobile music store and repair shop. The Bandwagon brings timely, professional band instrument repair to you. The Bandwagon also brings the music store to you, stocking items preferred by band directors.

## What Sets The Bandwagon Apart?

The concept behind The Bandwagon and the execution of the concept is truly unique: Providing onsite, affordable, professional band instrument repair, and a full-service mobile music store, including customized instrument rental plans for band and orchestra. This enables educators to get more for their budgeted dollars.

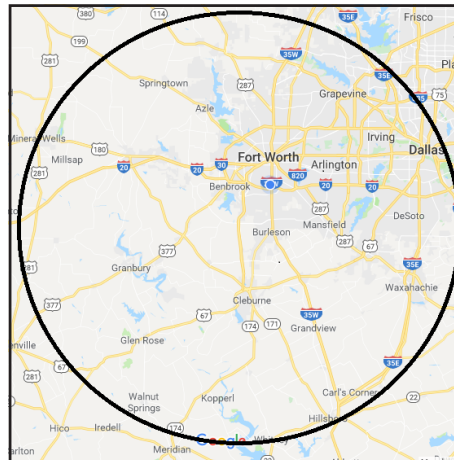

Our professional repair technicians can play all instruments and have a thorough understanding of how they work and what can go wrong with them.

## Service Area and Pricing

The repair pricing structure is simple: \$100.00 per hour, which includes as many repairs that can be completed in an hour.

Within a 60-mile radius from our facility in Fort Worth, repair visits can be scheduled for a half-day at \$400.00.

Outside of the 60-mile radius, less frequent repair visits may be scheduled for a full day at \$800.00.

Please call for more information or to set up a visit.

## Orion Musical Instruments

Orion Musical Instruments are available at The Bandwagon Music Store. Orion was developed by Jeff Henry and Erik Lifchez to solve a problem when Jeff was the Head Band Director at Godley, TX: Finding quality instruments at an affordable price. Orion instruments go through an extensive development and review process before they are ready for production. Orion instruments have been in the hands of band students for several years, from beginner to advanced, on the field and off. We stand behind our Orion instruments with one year's free maintenance that covers everything but abuse, neglect, loss, or theft. Parts are available for Orion instruments. Orion is an incredible value for your budgeted dollar and makes owning quality instruments affordable for any program.

*Quality Made Affordable*

## New Headquarters

We are now located at 100 E. Felix St. S., Suite 102 in Fort Worth. We have 6200 square foot warehouse and a full-service repair shop, offering a wider array of specialized repair services, like overhauling and relacquering brass instruments.

## About Us

The Bandwagon is owned and operated by Jeff and Kristi Henry. Jeff taught band and repaired band instruments for over 20 years. He is an active member of NAPBIRT. Jeff and Kristi are active in community bands in the Fort Worth area.
